

Green Horizon

Mangoes, oranges, fish and cattle

Fresh fruit, fish and cattle.

Tommy mangoes from our own orchard and tangelo oranges all year round, by the crate. Red tilapia and cachama raised in spring-fed lakes.

Mango and oranges

Tommy mango

150 mature trees, with two to three harvests a year: December, April and August. Large fruit with firm flesh and deep colour.

Presentation	Crates of about 24 kg (around 48 mangoes).
Grown at	Cachipay, Cundinamarca, Colombia

> Payment on delivery. Pick-up at the farm or delivery in the area.

Tangelo oranges

Sweet, juicy oranges, available all year round.

Presentation	Crates of 25 kg.

Fresh fish

Red tilapia and cachama

We raise red tilapia and cachama in lakes renewed by the farm's own spring. We harvest in cycles and deliver the fish gutted.

Red tilapia

Firm white flesh, a favourite of restaurants and butchers.

Presentation	Gutted, 350 to 500 g per fish.
Grown at	Finca El Horizonte, Cachipay, Cundinamarca, Colombia

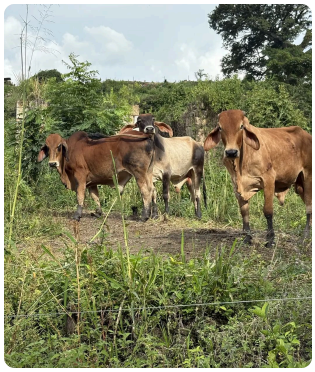

Cachama

A mild freshwater fish, ideal for grilling or frying.

Presentation	Gutted, 350 to 500 g per fish.
Grown at	Finca El Horizonte, Cachipay, Cundinamarca, Colombia

Brahman cattle

Brahman steers

We raise Brahman steers on rotationally grazed pastures, with our own grass all year round. The herd is registered with Fedegán.

Presentation	Sold live, by the lot or per head.
